Principal Report

The shade structures are finally finished and now they can help with shade when needed. The band room is almost done, and it looks great. They shouldn't have any more leaks.

We have a lot of staff now. With our new counselor, CSP, and new monitor. They are all doing great. We also have a new TA; Ms. Fry and she helps in Featherstone's class. We have a bunch of applications for behavior specialists. We have 2 custodians and will be getting a part time one too. They will make the school really shine.

Thanks to all that helped with Spooky Reading Night. And lastly, we are now a "B" school and that's thanks to everyone.

Committee Reports

T-shirts

We got the new shirts and we have paid for them. It was \$1,179.24 for them. They are very nice, comfy, and lightweight. Maybe we can send a flyer home to announce that we have new shirts and get the word out.

Spooky Reading Night

We did about \$300 for that night. We had about 144 people there. It wasn't much, but we made some money.

Movie Night

We are showing the Grinch (2018) on December 16th. We will serve the same food, along with hot cocoa.

I will be making a life size Grinch and some other decorations. I want to turn it into Whoville. We want to send colored flyers home and will get them through Office Depot. I need to get coloring sheets so the kids can start to color those. We will have winter around the world and finish with the Grinch.

Turkeys

We will pay for 3 turkeys for the food drive. The cost of turkeys is more than last year and it doesn't help that the bird flu is costing there to be a shortage. Teachers and staff were asked to help out with a turkey. They need 10 turkeys total.
