

Cragin

Elementary School

Principal Welcome

Dear Cragin Families,

I am incredibly honored and excited to join the Cragin Elementary community as your new interim principal. Though I'm new to Cragin, I am an experienced educator and bring with me a deep passion for education and a belief in the power of community. Cragin is a school with heart, potential, and Cougar pride. I am thrilled to be a part of it! Whether you're a returning family or joining us for the first time, I warmly welcome you to a school year filled with growth, learning, and joy.

As we prepare to begin the new year, know that our dedicated teachers and staff are looking forward to ensure a smooth and joyful start for your children. We can't wait to greet our students on the first day of school!

Sincerely,

J. Apaez-Gutierrez
